Hymn—"Oh, For a Thousand Tongues to Sing." Mrs. Matthews. "Susanna Wesley" N. S. Rose Solo and Chorus. "Wesley, the Missionary" N. S. Rose Reading—"League's Interest in John Wesley" W. P. Tossell.

### Deming and Clifton Base teams Take one Each.

Last Sunday the Clifton base ball team played two games with the Kids here, losing the morning game and winning out the afternoon game.

#### The Morning Game.

The game was called at 10 o'clock, and was as pretty an exhibition of base ball as has been seen here for some time. Both teams were out to win, and put plenty of ginger into their game. The Kids indeed looked like kids in comparison with the heavier men of the Clifton team, and it seemed as if they would not stand a chance with their heavier opponents.

Clifton came first to bat and started the day with a shut out, which Deming duplicated. Then Clifton drew first blood by scoring two in the half of the second, and raised their quotation by shutting out the Kids again in the second. But if the Kids can't play an up hill game they cannot play any, and they got together in the third and not only shut out the strangers but bunched their hits and brought in four runs to their own credit. Two more in the fifth for the Kids, and three in the sixth and one in the seventh for Clifton tied the score and brought the Kids to bat in their half of the seventh amid considerable excitement; but three runs here made things easy again, until Clifton again tied the score in the eighth, and a goose egg for both sides in the ninth made things interesting for the extra inning. The Clifton boys had engaged pitchers in the eighth and the kids hit pretty well on the new pitcher's high in., but after shutting out their opponents in the ninth they came up, and with one man out, slugged out a run for themselves in the tenth which gave them the game, without finishing the inning; with a score of 10 to 9 in a ten inning game. Maurice Nordhaus pitched a star game, and was right on hand every time when he was needed.

#### Afternoon Game.

The afternoon game which was called

at 3:30 Markstadt was put in to pitch for the Kids and Simms for Clifton. Simms still seemed able to fool some of the boys on his high ins and before Markstadt had gotten warmed up to his work the strangers had been presented with four bases on balls and with consistent hitting and rather ragged support from the field they had tallied nine runs before the kids had got a chance at the bat. The Kids made only one score in the first inning and this lead game the Clifton team, for after this first inning they were able to score only three times, while the Kids rapped out six more runs. After Markstadt got in shape he pitched a good game but in spite of this and the clever up hill work done by the Kids the game was lost. Nordhaus went in in the eighth and cut off any hopes Clifton may have had of increasing her score, but the boys seemed unable to hit the ball at the right time and only one run was tallied after this. Mr. Moore, who umpired the games, seemed to be honest, but being human he was necessarily liable to mistakes, and several decisions were made which worked a good deal to the detriment of the Kids score, and may even have lost the game for them. At any rate the last one came near ending the game when Keith was called out on home, making two outs and losing a run. But the matter was patched up and the game played out.

Struck out, Simms 7, Nordhaus 1, Markstadt 7.

This leaves the two teams with two games each so there will be some excitement when the two come together to settle the matter finally. May the best team win, and we think, under these conditions, that our "Yellow Kids stand an excellent chance of final victory.

Lack of space prevents us from giving the line-up and the score by innings, the score was, first game 10 to 9, favor Clifton, second game 12 to 8, favor Deming.

### For Those Who Live on Farms.

Dr. Bergin, Pana, Ill., writes: "I have used Ballard's Snow Liniment; always recommend it to my friends, as I am confident there is no better made. It is a dandy for burns." Those who live on farms are especially liable to many accidental cuts, burns and bruises, which heal rapidly when Ballard's Snow Liniment is applied. ### Cures When Doctors Fail.

Mrs. Frank Chaisson, Patterson, La., writes June 8th, 1901: "I had malaria fever in a very bad form, was under treatment of doctors, but as soon as I stopped taking their medicine the fever would return. I used a sample bottle of Herbine, found it helped me. Then I bought two bottles, which completely cured me. I feel grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering from malaria, as it will surely cure them." Herbine 50c bottle at J. P.
